S: In Everything he undertook in the service of God's temple and in obedience to the law and the commands, he sought his God and worked wholeheartedly. And so he prospered.— 2 Chronicles 31:21

O: What an incredible statement to make about a person. This is a blueprint for success: To seek God and work wholeheartedly. But it would not have been easy for Hezekiah to serve God, to obey God's law, and obey God's commands. It would not have been an easy task at all. But because Hezekiah obeyed (with the Lord's help), he prospered and God blessed the work.

A: Oh, that this would be said of me; that I sought after the Lord and worked wholeheartedly for Him. But in order for this to happen; I need to serve Him, live in obedience, and follow all of His commands. The living in obedience is tough. I find myself, sometimes, following my own desires, my own pride. I find that I interrupt my seeking after God, to seek after me.

P: Lord forgive me for seeking after my own desires and wants and not caring for Your desires and Your wants. Make me single-mindedly focused on You and Your Will. Forgive me of my pride. Teach me holiness, righteousness, and may my family and me prosper with You. In Jesus Name I pray, Amen.
